MAKING CORNERS
THE CENTRE OF BUSINESS

When we say, "The Statue of Liberty," the first thing that comes to our minds is "New York," isn't it? Therefore, the landmark defines the location. The vice-versa is also true: if it wasn't for the city of Gurugram, there wouldn't be iconic skyscrapers. Thus, the location and landmark are two sides of the same coin.

The same is with 'M3M Corner Walk' and its exclusive corner location on Golf Course Road Extension at Sector-74, Gurugram. In fact, 'M3M Corner Walk', being one of the pioneering mixed-use development, is offering a lucrative opportunity of investing in a property on this landmark road.

'M3M Corner Walk' enjoys excellent arterial connectivity to Dwarka, Manesar, and NCR. In addition, the Project is well connected to Golf Course Road, Sohna Road and NH8.

Intended to be the preferred hotspot for upscale retail outlets and large corporates, 'M3M Corner Walk' is bound to be the focal point of business.
